Subject: Agenda for CRW call on Thurs 7/23

Maria, Victor:

We apologize for the lateness of getting this to you and the lack of coordination. The attached agenda was sent to CRW this morning by Jenifer Fields. CRW wrote back this afternoon with a list of topics they would like to cover, which I've copied below. CRW stated they wanted to cover these topics with a Powerpoint presentation that may take 45 minutes to get through. Please let us know if you have any questions.

From CRW:

- *State of the Assets Summary*
- *Cost Data Review*
- *Topic 1: 85% Capture Analyses and Results*
 - *Baseline level of control, impervious acres managed, total cost, affordable implementation period*
- *Topic 2: Cost Benefit Analysis/Affordability Analysis*
- *Topic 3: Proposed Adaptive Management Process*
 - *Series of 5-Year Project Lists and Budgets*
- *Topic 4: Proposed Accountability and Verification Measures*
- *Next Steps: Call/Meeting*
